

## CATALOGUE SEARCH

If you are unable to visit Derby then our Catalogue Search Service might be able to help. For a fee, a member of staff will conduct a search of our catalogues, indexes and other finding aids and provide you an indication of where we have searched and the relevant references we have found.

Where a small number of references are found, we will provide a detailed list. Where large numbers of references are found, we will provide a general indication of the types of material and coverage they offer.

Once you know what is available, you may decide it is worth visiting in person to view the material. Alternatively you can request copies of specific items, or take up our research service.

### **Charges and Payment**

Our fee is £8.25 for a search of our catalogues, indexes and other finding aids. The fee will cover 30 minutes of staff time, including a written report of the search results.

Payment must be made in advance. We can accept online payment by either credit or debit card.

To pay online:

- Go to [www.derby.gov.uk/pay-it/](http://www.derby.gov.uk/pay-it/) then click on 'Online Store' in the list of services.
- Choose 'Leisure and Libraries' from the categories drop-down.
- Enter your payment details under 'Local Studies Library – Catalogue Search'
