

Here's how to read newspapers online using Libby Newspapers/PressReader:

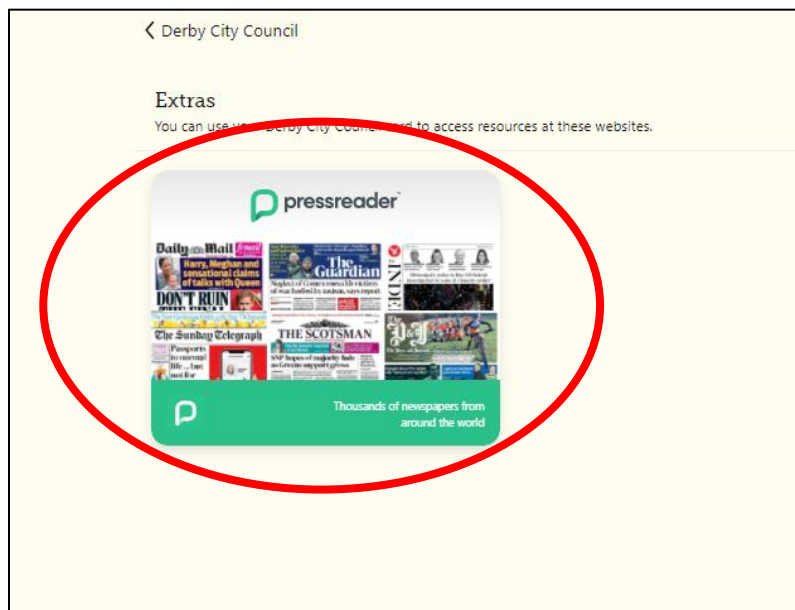

If you don't already have it, please download the Libby app or go to

www.libbyapp.com Enter Derby City Libraries as your library and enter your library card number and PIN. Click on 'Extras' or scroll down to click on the newspapers icon:

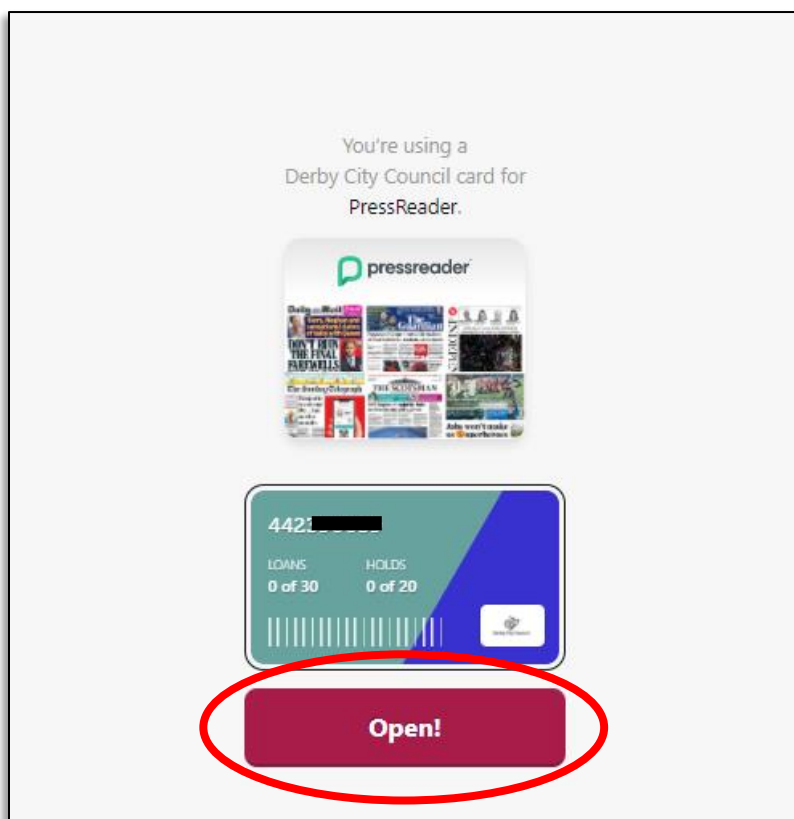

Then you 'borrow' the newspaper service just like any other item:

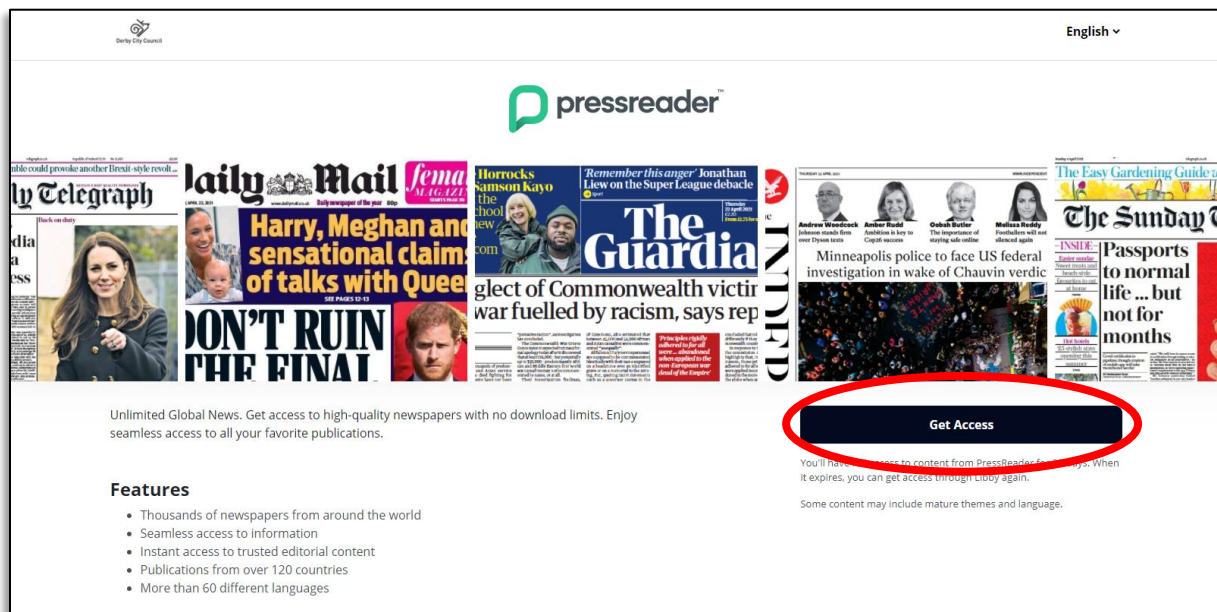

In 'Extras', click on the PressReader icon:

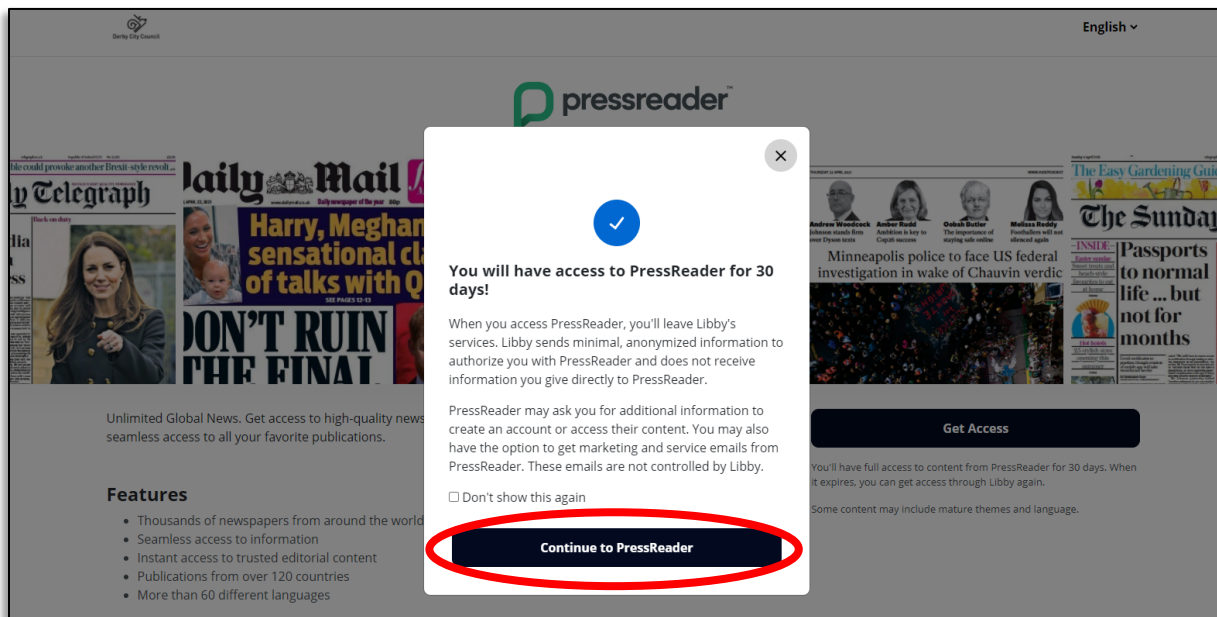

Confirm your library card details if required and then click on 'Open!':

Then confirm that you want to use the newspaper service by clicking on 'Get Access':

We'll need to transfer your library card details to the newspaper service before we hand you over to it, so you'll be asked to confirm that this is ok. Click on 'Continue to PressReader' to go ahead:

You'll then be taken across to the PressReader website to access the newspaper service. You'll have full access to all 3,000+ newspapers for 30 days and then you'll just need to go back to Libby to borrow access to the service again for the next 30 days. Click on 'Select Publication' to browse all the newspapers available:
